Abaca and Sugar in the Philippines (map) 245
Abaca in the Philippines 246
Ackerman, Edward A., An Algerian Oasis Community (maps, charts, and illustrations) 250–258
Abandoned Vineyard in Ohio 78
Abandoned Vineyard Near Dover, Ohio 79
Acquisition of Forestry Units by the State in Great Britain 12
Acreage in Spanish Olive Orchards 139
Advancing Dunes in an Algerian Oasis 255
Advent of Spring in Ohio (map) 77
Afforestation of Britain, The, T. W. Birch (maps, graphs, and illustrations) 1–26
  Acquisition of Forestry Units by the State 12
  Area to be Afforested 11
  Chief Items of Import 23
  Deciduous Woods Inplanted with Conifers 11
  Distribution of Woodland 3
  (Map) 5
  Employment, Forest Workers' Holdings, and Expenditure 18
  Finance 12
  Forest Fire Danger 15
  Forest Fires as a Problem 17
  Forests of the Future 13
  Great Britain's Woodland Area 2
  Hauling Logs, Western Canada 10
  High Forest Age Distribution (graph) 7
  Imports of Manufactured and Unmanufactured Wood (graph) 16
  Imports of Wood Pulp (Graph) 18
  Imports of Timber, Pulp of Wood, and Wood Manufactures 21
  Jarrah, Western Australia 20
  Kauri Forest, New Zealand 21
  Land Preparation and Planting Out 15
  Nurseries 15
  Ports of Entry for Timber 26
  Post-War Imports 22
  Pre-War and War-Time Imports 21
  Principal Ports of Entry of Timber (map) 23
  Problem of Private Woodlands 20
  Production and Increment of Timber 7
  Production of Timber in 1924 and 1930 5
  Production of Timber by Classes of Material and Species 8
  Production of Timber in Relation to Consumption 6
  Progress of Afforestation 13
  Proportional Distribution of Woodland Area (graph) 4
  Seed Supply 14
  Sources of Timber by Classes 25
  Species of Trees Planted 17
  State and Afforestation 8
  Timber Production, 1930 (graph) 9
  Total Imports of Wood by Classes (graph) 19
  Types of Woodland (graph) 2
  Typical Coppice in the Forest of Dean 3
  Unloading Timber at West Hartlepool 22
Afternoon of Fair Day in Cathedral Square at Auch, France 356
Agricultural Export—1933 of Java (table) 33
Agricultural Regions of Asia: Part IX—Java, Samuel van Valkenburg (maps and tables) 27–44
  Agricultural Export—1933 (table) 33
  Agriculture of Java 32
  Annual Rainfall (map) 32
  Area in Cropland (map) 34
  Climate 30
  Estate Agriculture (map) 43
  Fishing 38
  Forestry 38

Amana Community (map) 222
Amana Villages (map) 224
Amana General Store 219
Amberson Valley, Pennsylvania, Land Economy of, Carol V. Mason (map and illustrations) 265–272
An Algerian Oasis Community, Edward A. Ackerman (maps, charts, and illustrations) 250–258
  Advancing Dunes 255
  European Touggourt 253

PAGE

Floor Plan of a Typical Khames Dwelling (chart). 258
Market in the Tell. 251
Native Village. 251
Nomad Winter Encampment. 252
Tougourt, in the Oued Rhir (map). 250
Typical Street in a Native Village. 256
Walls of a Town. 254
Water System. 253
Young Palms in the Heart of the Oasis. 257
An Ass Race, Engraving of Eighteenth Century England. 297
Andrews, John, The Present Situation in the Wheat-Growing Industry in Southeastern Australia (maps, graphs, and illustrations). 109–135
Annual Production of Port Wine. 322
Annual Rainfall of Java (map). 32
Of Spain (map). 146
Appleton, John B., and Belden, Wilma, Northern Nigeria—A Study in Political Geography (maps and illustrations). 325–339
Area and Climatic Conditions of Flax-Growing in Willamette Valley (table). 164
Area in Great Britain to be Afforested. 11
Area of Java in Cropland (map). 34
A Reconnaissance Geography of Japan, Glenn Thomas Trewartha (review). 106
Aroostook River and Valley, Maine. 399
Asia, Agricultural Regions of: Part IX—Java, Samuel van Valkenburg (maps and tables). 27–44
Asia, Agricultural Regions of, Part X—The Philippine Islands, Samuel van Valkenburg (maps, charts, and illustrations). 231–249
A Small Farmhouse, Engraving of Eighteenth Century England. 413
A South View of the City of Bath, From a Drawing of Eighteenth Century England. 425
Atwood, Wallace W., Jr., Elements of Geography (review). 431
Auch, Gers, France. 351
(Chart). 352
Australian Exploration, The Influence of the Pastoral Industry on, Margaret Riggs (maps, charts, and illustrations). 279–286
Australia, Sketch Map. 279
Australia, The Present Situation in the Wheat-Growing Industry in Southeastern, John Andrews (maps, graphs, and illustrations). 109–135
Average Annual Commerce of Toledo (graph). 204
Average Prices of Pig and Heavy Melting Scrap Iron (graph). 181
A View of the Hermit's Cave and the Red Deer Park, From a Drawing of Eighteenth Century England 423

Bainbridge, T. H., The West Cumberland Coalfield (maps and graphs). 167–174
Ballantyne Pier, Vancouver. 66
Basle, Switzerland: A Port Terminal, Hans Boesch (maps, charts, and illustrations). 259–264
Functions of the Port Terminal. 262
History of Rhine Navigation. 262
Imports and Exports in 1929 and 1932. 261
National and International Aspect of Rhine Navigation. 259
Outlook. 264
Participation of Swiss States in Basle's Rhine Transport (map). 262
Relative Importance of Imports to Exports (chart) 260
Total Amount of Goods Passing through the Port (chart). 259
View of Port Section Kleinhüningen. 263
Batan Island, Philippines. 247
Battery of Four Kilns Used for Curing Hops. 161
Beef Cattle in New South Wales, Australia. 281
Beginnings of the Coal Trade. 170
Belden, Wilma, and Appleton, John B., Northern Nigeria—A Study in Political Geography (maps and illustrations). 325–339
Bengtson, Nels A., and Van Royen, Willem, Fundamentals of Economic Geography (review). 105
Bews, J. W., Human Ecology (review). 324
Bibliography of Eighteenth Century England. 427
Biennial Census of Manufactures: 1929 (table). 176
Biologic Factors in Viticulture in Ohio. 79
Birch, T. W., The Afforestation of Britain (maps, graphs, and illustrations). 1–26
Boesch, Hans, Basle, Switzerland, A Port Terminal (maps, charts, and illustrations). 259–264
Braden Copper Mine, South America. 344, 347
(Chart). 345
(Map). 346
Brief History of the Regional Delimitation of the Port Wine Region. 322
British Penetration of Nigeria. 333

Brooks, Charles F., Conner, A. J., and Others, Climatic Maps of North America (Review). 324
Bruman, Henry J., The Bulgarian Rose Industry (maps and illustrations). 273–278
Bulgarian Rose Industry, The, Henry J. Bruman (maps and illustrations). 273–278
Distillery for Attar of Roses. 278
Gathering Rose Petals. 277
Location of Rose Fields (maps). 273, 276
Rose Culture in Klissura. 275
Transporting Rose Petals. 278
Bull, William E., The Olive Industry of Spain (maps, graphs, and illustrations). 136–154
Business Section of Greenville, South Carolina. 94

Cabins and Barns in Quebec. 59
California. 407
California Petroleum, 1934 (graph). 90
Canadian Grain Exports (graph). 188
Carlot Unloads of Grapes in Ohio in 1933 (table). 84
Carls, J. Norman and Ristow, Walter W., The Industrial Geography of Seneca Falls, New York (maps and illustrations). 287–293
Carlson, Albert S., and Gow, Charles B., Scrap Iron and Steel Industry (maps, graphs, and illustrations). 175–184
Carolina Piedmont Alignments Today. 95
Carolina Piedmont, Topography and Towns of the, S. T. Emory (map and illustrations). 91–97
Cars Awaiting Melting as Scrap Metal at Ford Plant 179
Cascade Range in Washington. 396
Cash Farm Income from Animals (map). 362
Caska-Villa on Lake Erie. 85
Cattle Market at an Auch, France, Fair. 353
Cattle Round-up in Northern Queensland, Australia. 280
Central Highway of the Carolina Piedmont. 91
Changes in Mode of Transportation of Sugar in Louisiana. 375
Charlotte, North Carolina. 95
Chattooga County, Georgia, Cotton Field. 405
Cheshire in Eighteenth Century England. 416
Chief Items of Import in the Afforestation of Britain 23
Climate and Vegetation of Nigeria (map). 327
Climate of Java. 30
General Remarks on Rainfall. 31
Rainfall Types. 31
Climate of the Philippines. 233
Of the Port Wine Region, Spain. 312
Climatic Chart for Monroe, Iowa. 363
Climatic Factors in Australian Agriculture. 118
Climatic Relationships in Viticulture in Ohio. 78
Climatic Maps of North America, Charles F. Brooks, A. J. Conner, and Others (review). 324
Coal Dumpers and Ore Unloaders at Port of Toledo. 199
Coalfield, The West Cumberland, T. H. Bainbridge (maps and graphs). 167–174
Coastal Plain of Batangas. 236
Coconut Oil Trade in the Philippines (table). 241
Coconuts in the Philippines. 239
Collieries of the West Cumberland Coalfield (map). 172
Coming of the Railway in the Carolina Piedmont. 92
Commerce at the Port of Toledo. 201
Commercial and Industrial Development of Amana. 227
Community Barns of Amana. 228
Conner, A. J., Brooks, Charles F., and Others, Climatic Maps of North America (review). 324
Consumption of Fuel Oil During 1931 (table). 89
Of Pig Iron and Scrap Iron and Steel (graph). 180
Control of the Production of Port Wine. 321
Copra Trade in the Philippines (table). 241
Corn Belt of the United States, Swine Production in, Earl Shaw (maps, charts, and illustrations). 359–372
Corn in the Philippines. 242
Cornwall in Eighteenth Century England. 413
Countries Importing Spanish Olive Oil (map). 153
County Population, etc. in Eighteenth Century England (table). 426
Covered Market at an Auch, France, Fair. 355
At L'Isle Jourdain, France. 354
Critique—The Lake Port at Toledo. 202
Cultivated Land in the Philippines (map). 235
Cultivating a Vineyard Near Sandusky, Ohio. 81
Corn in Southeastern Nebraska. 389
Curing Hops. 158

Davis, D.
Davis, Darrell H., Amana: A Study of Occupance (maps and illustrations). 217–230
Deciduous Woods inplanted with Conifers. 11
Declining Production of Grapes in Ohio, 1890–1920. 75
Department of Gers, France (map). 351
Derby in Eighteenth Century England. 418
Detailed Land Utilization of Southeastern Nebraska. 384
